

2025 E-File Pricing Guide

Available for both Federal and State filings. You can have all of your information reported to the appropriate agencies and sent directly to the payer and recipient all for one low price.

No paper forms to stuff into envelopes means more time to focus on your business. Form specific volume discounts are available.

Notes:

The following prices do not include any Sales Tax that may be applicable.

It is the user's responsibility to verify that the data has been entered correctly. **Rejected Batches** that are resubmitted will be charged at the regular E-File Services costs.
